

Global Financial Advisors

In the current financial services market, dramatic continuous change is the norm. Leadership is no longer about following the rules or applying traditional solutions to new challenges.

The need to seize opportunity—here & now—requires innovative thinking to transform enterprises for the next level of performance.

Our Vision

To be a global major in providing complete investment & advisory solutions with relentless focus on corporate offering individual care through superior efficiency and complete transparency

About Us

“Global Financial Advisors” has been founded with the aim of providing world class services by investing rich banking & financial experience to better serve the corporate community. It has made its entry in the market to better understand the day to day financial needs of the corporate world & provide personalized & user customized premium products with world class services available today through our trained & experienced team available 24x7 globally.

“Global Financial Advisors” is leveraging today’s market need and its business expertise with strategic alliances done with almost all leading financial service providers. It takes pride in building strategic long-term client relationships. We find and solve the most critical and challenging problems. We take an overall, independent, and fact-based view of a client’s performance. We rely on facts because they provide clarity and align people. Facts are the global management language. We work with facts to provide credible recommendations. We work directly with leaders who can partner with us to develop and accept recommendations and have the ability to implement them.

We earn our clients’ trust. We do this through our consistently superior service, our professional conduct, and our complete commitment. Each one of us is responsible for earning and keeping our clients’ trust with our individual behavior and the quality of our work. We care for our clients as people and organizations, even when we are not serving them.

Our Strengths

- ❖ Customer delight: To surpass customer expectation conscience.
- ❖ Leadership: To set standards in our business and transactions and to be an exemplar for the industry and ourselves.
- ❖ Integrity and Transparency: To be ethical, sincere and open in all transactions.
- ❖ Fairness: To be objective and transaction- oriented and there by earn trust and respect.

Global Financial Advisors

- ❖ Pursuit of Excellence: To strive relentlessly, constantly improve ourselves, our teams, our services and products to become the best.

Our Services

- ❖ **Precious Metals-** Platinum, Gold & Silver have been traditionally the most favored form of investment & gift worldwide. In fact, Indians are amongst the highest consumers of these precious metals in the world. However, this market remains largely unorganized with reliability and convenience remaining the key issues for the buyers in the country. We attempt to bridge the gap between the need of the customers for buying Platinum, Gold & Silver and availability of an organized avenue to satisfy this need.

- ✓ **Coins & Bars:**

- Gold 22k & 24k with 99.95% & 99.99% purity.
- Silver with 999 purity.
- Coins can be customized as per corporate needs from 0.5 gm onwards.
- Corporate logo as desired can be embossed.
- Assay certified & Hallmarked.
